Parelli Horsemanship Centre Wilton * Australia

2022 Calendar

effective 11th October 2021

Our Horsemanship Pathway

- 1) Starts with the **Introductory Horsemanship Clinic** (Level 1), this is where you start to understand Horse Behaviour and Psychology. You will learn how to read your horse's behaviour and how to communicate with him in a way he understands.
- 2) The next step is to come to a **Control & Confidence Clinic**, these weekends are:
 - Critical for those who are unconfident on the ground or while riding.
 - Has a horse that is frightened or unconfident on the ground or when ridden.
 - Or a horse that can be overconfident and pushy.These Clinics will give you experience, strategies and skills that will enable your confidence to grow and that of your horses. You will learn how to manage your horse in various environments and situations, whether in an arena or out on a trail. This clinic can be attended several times to build long term confidence and skills for both horse and rider.
- 3) Finally, the **Rider Blueprint Clinics** are where you learn effectively to train your horse through required stages.
 - Level 1-2, is about basic skills and safety for both horse and rider.
 - Level 2-3, further develop your riding and guiding skills, whereby you and your horse start to have more fun and become more adventurous.
 - Level 4, is about becoming skilled and accomplished and prepared for those with competition goals or more advanced skills like riding without a bridle and bareback. These Clinics are attended regularly on an ongoing basis to improve riding and overall horsemanship skills.
- 4) ALL Clinics are scheduled with a preceding Thursday "**Fun & Practice Day**" which are **Free days** for dedicated students who study at the Centre. So, if you are coming to a Clinic, you can come in on the Thursday and join like-minded students. Rest, restore or continue to practice your horsemanship on the Friday and then take part in the Clinic on the weekend. A four to five day horsemanship immersion for those of you that can join us!
- 5) **Clinics are two days**, Saturday, and Sunday, with **an optional third day** on the Monday for those who can make it.
(Note: Introductory Clinics(Level 1) are two days only)
- 6) **FREE Horsemanship Demonstrations** on the first Saturday in most months! Short Saturday Sessions. 10am-noon.
Come along, join Neil and students, learn more about horsemanship and what *you* can achieve when you understand the nature of horses!
- 7) Private and Shared Sessions available on request.

BOOKINGS ESSENTIAL, for all events, email info@parelli.com.au or call or text Sue on 0477 555 447.
